

Keeping Children Safe Online

FREE course for parents and carers delivered by a NSPCC qualified trainer

Open to parents/carers of children attending Drapers' Pyrgo, Drapers' Maylands and Drapers' Brookside primary schools

Do you know what your children are doing online?

Through this short course, you will learn about

- * How children use technology and the internet
- * The risks children take online
- * Harmful content online
- * Online radicalisation and extremism
- * Sharing, sexting, sexual offending against children
- * Bullying online
- * How you can support your children to protect them when they are online
- * How to make organisations safer places for children to go online

Course Dates: 2/05/18—09/05/18 Wednesday afternoons

Weeks: 2 weeks

Times: 1:00pm to 3:00pm

Venue: Drapers' Maylands Primary School

Book your place now by contacting:
