

Friends of Drapers'

January Newsletter

What a way to start off 2017. The College Players performed Jack and the Beanstalk at the Academy and everybody had a great time., especially poor Tony who took the brunt of the comedy from the Dame.

This is just the start of many events that FODS will be organising this year so please do look out for more details in our newsletters. If there is a particular event/function that you would like us to look into holding, please do let us know. If we don't know your thoughts then we will not know what it is that you are interested in coming along to.

FODS will be selling a selection of pre-loved uniform at the upcoming parent's evenings. If there is anything you need, please come along and see what we have

Should you have any unwanted uniform you would like to donate from any of our schools, please put it in a bag clearly marked FODS and bring it up to the Academy during any school day.

We are considering holding table top sales for both Mothers Day and Fathers Day in our primary schools and would be grateful for donations of any unwanted toiletries or other suitable items. These will then be sold to the pupils so that they can surprise their mums and dads on this special day. Please take your items into the school office, marking the bag **FODS**. Obviously these events can only take place if items are donated.
