Adverse Weather Conditions Policy

We have a duty to have in place clear procedures when some pupils may have to be sent home early or when a whole school may be forced to close because of adverse weather in order to ensure the safety and wellbeing of pupils and school personnel.

We have a responsibility to make every effort for the school to remain open whenever possible and the decision to close the school will be made after careful consideration of a number of factors.

We are aware that pupils are entitled to 190 days of schooling and some have an entitlement to free school meals, therefore, we will make every effort to ensure the school remains open. However, the safety and wellbeing of all pupils and school personnel remains our main priority.

The Headteacher in consultation with the Chair of Governors has the responsibility for deciding to close the school either before the beginning of the day or during the school day after considering factors specific to the school.

We have a duty and responsibility to ensure the safety of all pupils and therefore no child will go home unescorted or without the prior knowledge of the parent / carer.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.
