

Drapers' Pyrgo
Priory School

Pupil Premium Policy 2017

Overarching Principles

- At Pyrgo Priory Primary School, all members of staff and governors accept responsibility for those pupils recognised as 'disadvantaged' and are committed to meeting their pastoral, social and academic needs.
- Every child who is considered to be 'disadvantaged' is valued, respected and entitled to develop to his/her full potential, irrespective of disadvantage.

Background to the Pupil Premium

Introduced in April 2011, the Pupil Premium is a Government initiative that provides additional funding aimed at pupils from deprived backgrounds. Research shows that pupils from deprived backgrounds underachieve compared to their non-deprived peers. The Pupil Premium is provided in order to support these pupils in reaching their potential by accelerating their progress.

The Government has used pupils entitled to free school meals (FSM), looked after children and service children as indicators of deprivation, and have provided a fixed amount of money for schools per pupil based on the number of pupils registered for FSM over a rolling six year period. This fixed amount of money is expected to increase every year for the course of this current Parliament. At Pyrgo Priory, we will be using the indicator of those eligible for FSM as well as identified vulnerable groups as our target children to 'close the gap' regarding attainment.

Context

When making decisions about using pupil premium funding it is important to consider the context of the school and the subsequent challenges faced. Common barriers for FSM children can be less support at home, weak language and communication skills, lack of confidence, more frequent behaviour difficulties, and attendance and punctuality issues. There may also be complex family situations that prevent children from flourishing. The challenges are varied and there is no "one size fits all".

Overall Objectives:

- Our school will ensure that the Pupil Premium funding reaches the groups of pupils for whom it was intended and that it makes a significant impact on their education and lives.
- The Pupil Premium will be used to provide additional educational support to improve the progress and raise the achievement for these pupils.
- The funding will be used to narrow and close the gap between the achievement of these pupils and their peers.
- The school will use the additional funding to address any underlying inequalities between children eligible for Pupils Premium and others.

How we will ensure effective use of the Pupil Premium

- The Pupil Premium will be clearly identifiable within the budget.
- The Head teacher in consultation with the governors and staff, will decide how the Pupil Premium is spent for the benefit of the entitled pupils. Funding will be allocated following a needs analysis which will identify priority groups or individuals.
- In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged or underachieving. We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We therefore reserve the right to allocate the Pupil Premium funding to support any groups of pupils the school has legitimately identified as being socially disadvantaged.
- The school will assess what additional provision should be made for the individual pupils.
- The school will be accountable for how it has used the additional funding to support the achievement of those pupils covered by the Pupil Premium.
- The Head teacher will report to the governing body and parents on how effective the intervention has been in achieving its aims, including publishing online information about how the Premium has been used.
- We will track the impact of the strategies put into place through the funding to ensure that we can show the value that has been added to the education of the entitled children.
- We will monitor evaluate and review the success of the impact of the pupil premium funding.
- We use research (Such as the Sutton Trust Toolkit) to support us in determining the strategies that will be most effective
- A Pupil Premium Champion will co-ordinate the Pupil Premium programme and ensure that the action plan is followed, that all play their part in achieving the aims of this policy and that staff, governors and parents are reported to regularly

Key Principles

By following the key principles below, we believe we can maximise the impact of our pupil premium spending

Building Belief

We will provide a culture where:

- staff believe in ALL children
- there are “no excuses” made for underperformance
- staff adopt a “solution-focused” approach to overcoming barriers
- staff support children to develop “growth” mind-sets towards learning

Identification of Pupils

We will ensure that:

- ALL teaching staff and support staff are involved in the analysis of data and identification of pupils
- ALL staff are aware of who pupil premium and vulnerable children are
- ALL pupil premium children benefit from the funding, not just those who are underperforming
- Underachievement at all levels is targeted (not just lower attaining pupils)
- Children’s individual needs are considered carefully so that we provide support for those children who could be doing “even better if.....”

Improving Day to Day Teaching

We will continue to ensure that **all** children across the school receive good teaching, with increasing percentages of outstanding teaching achieved by using our team leaders to:

- Set high expectations
- Address any within-school variance
- Ensure consistent implementation of the non-negotiables, e.g. marking and guided reading
- Share good practice within the school and draw on external expertise
- Provide high quality CPD
- Improve assessment through joint levelling and moderation
- Develop metacognitive learning

Increasing learning time

We will maximise the time children have to “catch up” through:

- Improving attendance and punctuality
- Providing earlier intervention (KS1 and EYFS)
- Extended learning out of school hours – booster groups, clubs
- Holiday clubs

Individualising support

We will ensure that the additional support we provide is effective by:

- Looking at the individual needs of each child and identifying their barriers to learning
- Ensuring additional support staff and class teachers communicate regularly
- Using team leaders to provide high quality interventions across their phases
- Matching the skills of the support staff to the interventions they provide
- Working with other agencies to bring in additional expertise
- Providing extensive support for parents to support their children's learning within the curriculum and to manage in times of crisis
- Tailoring interventions to the needs of the child (e.g. Targeted maths revision sessions in the afternoons for children who struggle in the main lesson)

Provision

We will regularly seek to further develop strategies and interventions which can improve the progress and attainment of these pupils. Examples of the range of provision we may put in place include:

- Providing small group or 1:1 support with an experienced member of staff to focus on overcoming barriers to learning
- Facilitating pupils' access to education and the curriculum through additional or specialist resources e.g. specialist software
- Additional teaching and learning opportunities provided through learning mentors, trained TAs or external agencies
- Interventions to address behavioural, social or emotional barriers to learning– anger management, conflict resolution, Why try programmes

Reporting outcomes

It will be the responsibility of the Headteacher (or his delegate) to produce a report for the Governing Body that will include:

- The progress made towards closing the gap, by year group, for disadvantaged pupils.
- An outline of the provision and support made during the term since the last report. an overview of spending
 - Learning in the curriculum
 - Social, emotional and behavioural issues
 - Enrichment beyond the curriculum
 - Families and community
- an overview of spending
 - Total PPG (pupil premium grant) received
 - Total PPG spent
 - Total PPG remaining

- A summary of the impact of PPG to include
 - Performance of disadvantaged pupils (compared to non-pupil premium children)
 - Other evidence of impact e.g. Ofsted, Accreditations
 - Case studies (pastoral support, individualised interventions)
 - Implications for pupil premium spending the following year

The Governing Body will consider the information provided and will ensure that there is an annual statement to the parents on the school website outlining how the Pupil Premium funding has been used to address the issue of closing the gap for pupils eligible for Pupil Premium. This task will be carried out in line with the requirements published by the Department for Education.

Appeal

Any appeals against this policy will be through the governor's complaints procedure.

Adopted by the Governing Body
Review date: Sep 2018
